

Assignment on SQL Injection Attack – Submission Instructions

1. Lab Report

1. Submit **one detailed report** explaining what you did and what you observed.
2. Include screenshots **inside the report**.
3. Accepted formats: **.doc** or **.tex only**.

2. Screenshots Folder

1. Put **all screenshots used in your report** into a single folder.

3. Final Submission Structure

Your submission must contain only:

1. **One report file** (.doc or .tex)
2. **One screenshots folder (zipped)**

Naming Rule (Strict)

Name both the report file and the screenshots folder exactly as follows :

SQLi-Attack-Assignment-1-StudentID1-StudentID2 (add the correct file extension for the report)

Replace StudentID1 and StudentID2 with your IDs.
